The Heveningham Tour also returns on Friday 29th June and a number of the concours' entrants will take the 50-mile route which this year includes a 'ferryman's picnic' and unique river crossing.

Once again the event is in association with auctioneers Bonhams, British watch manufacturer Bremont, manufacturer Mercedes-Benz and English winemaker Gusbourne.

The Heveningham Hall Concours Royal College of Art Automotive Design Scholarship will see a student awarded a full scholarship to cover the 15 month MA Automotive Design course under the auspices of Professor J Mays. The event has also funded a dementia unit locally this year.

Heveningham Hall dates from 1778–80 and incorporates work from an earlier 18th-century building. It was designed by Sir Robert Taylor for Sir Gerald Vanneck, 2nd Baron Huntingfield. The interiors of circa 1781–4 were designed by James Wyatt. The Heveningham Hall Country Fair Trust is a registered charity (number: 1095403). Since its launch, the Heveningham Hall Country Fair Trust has raised over £700,000 for charity. Satellite navigation for the event is IP19 0PN
